**PLUS** it comes with the peace of mind of an Aqualisa two year manufacturer's guarantee.

January 2011

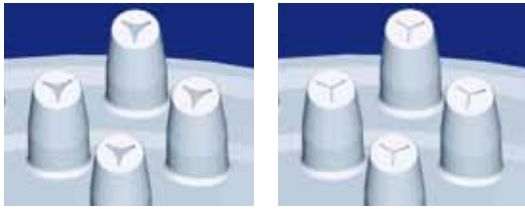

Switch on and start showering!

# Aquastyle<sup>®</sup>

## Electric

- Instantaneous electric shower
- One push start/stop control and easy glide temperature control
- Patented 'active' nozzles giving a defined spray pattern

High flow rate: nozzles expand    Low flow rate: nozzles contract

- Rub clean nozzles for easy limescale removal
- Phased shutdown for added safety and to reduce limescale around the heating element
- Available in three engine sizes – 8.5kW, 9.5kW and 10.5kW\*
- Push fit connections
- White and chrome finish
- 2 year manufacturer's guarantee and optional extended guarantee
