📶
5.14
Time central heating CH1
Mon - Sun
Set to   – Time setting 1 –

Finally, press the MENU button twice to return to the main display

Programming quick guide

Central heating (changing an existing time program)

Follow steps 1 to 6 overleaf, then steps below…

STEP 8

Turn the Dial Knob one click clockwise.

```
SO 1
Time central heating CH1
Mon - Sun: 1st Time ON
06:00
```

STEP 9

Press the Dial Knob and the 'Ist Time ON' time will flash. Turn the Dial Knob to the required time. Press Dial to select.

```
SO 1
Time central heating CH1
Mon - Sun: 1st Time ON
−08:00 −
```

STEP 10

Turn the Dial Knob one click clockwise and then press the Dial Knob. The 'Ist Time OFF' time will flash. Turn the Dial to the required time. Press the Dial to select.

```
SO 2
Time central heating CH1
Mon - Sun: 1st Time OFF
−10:00 −
```

STEP 11

Turn the Dial Knob one click clockwise.

```
SO 3
Time central heating CH1
Mon - Sun: 2nd Time ON
11:00
```

STEP 12

Press the Dial Knob and the '2nd Time ON' time will flash. Turn the Dial Knob to the required time. Press Dial to select.

```
SO 3
Time central heating CH1
Mon - Sun: 2nd Time ON
−11:50 −
```

If −:− appears when adjusting the ON/OFF Time it is because the ON is the same as OFF. If this is selected the Time period will disappear. A new Time period can be introduced by starting from 24.00 and winding backwards.
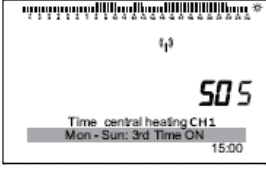

STEP 13

Turn the Dial Knob one click clockwise and then press the Dial Knob. The '2nd Time OFF' time will flash. Turn the Dial to the required time. Press the Dial to select.

```
SO 4
Time central heating CH1
Mon - Sun: 2nd Time OFF
−13:00 −
```

STEP 14

Turn the Dial Knob one click clockwise.

```
SO 5
Time central heating CH1
Mon - Sun: 3rd Time ON
15:00
```

STEP 15

Press the Dial Knob and the '3rd Time ON' time will flash. Turn the Dial Knob to the required time. Press Dial to select.

```
SO 5
Time central heating CH1
Mon - Sun: 3rd Time ON
−17:00 −
```

STEP 16

Turn the Dial Knob one click clockwise and then press the Dial Knob. The '3rd Time OFF' time will flash. Turn the Dial to the required time. Press the Dial to select.

```
SO 6
Time central heating CH1
Mon - Sun: 3rd Time OFF
−23:00 −
```

Finally, press the MENU button twice to return to the main display

Hot water

Set hot water times as per central heating procedure above except for step 3: Turn the dial knob clockwise to highlight **'Time hot water'**.
