

DECORATIVE BACK PANEL Kit Nos. 590749 & 590759

KIT CONTENTS

- 1 Decorative back panel
- 4 Woodscrews
- 4 Wall plugs

INSTALLATION PROCEDURE

1. Fit the closure plate to the fireplace as described in the appliance installation instructions.
2. Place the decorative back panel over the closure plate with the bevelled edges touching the wall. Align the panel with the closure plate.
3. Mark the wall through the four holes in the decorative panel.
4. Remove the panel. Drill and plug the wall using the no.10 wall plugs.
5. Replace the panel with its bevelled edges touching the wall. Fix the panel to the wall with the woodscrews.
6. Continue with the appliance installation as described in the appliance installation instructions.
